Brought to you in part through grant funding from the San Marcos Arts Commission

PASSAGES: MOVING FORWARD IN 2021

This first show in our newly renovated gallery spaces features 51 original works of art by 28 individuals, including familiar and new to the Center artists.

Works include traditional subject matter and media as well as innovative concepts, subjects, and unique treatments.

The inspirational show hangs throughout our first-floor venues until mid-January and most of the works are available for purchase.
